Dear Colleague,

Welcome to the 2012 UTSC/OBA Chamber Music Festival! The University of Toronto Scarborough and our friends at the Ontario Band Association are thrilled to offer this event, three years running, with the help of our committed partners at Cosmo Music and Yamaha.

Since its inception, the festival has quickly grown into a 3-day educational experience for instrumentalists. We are excited to see more and more music educators and directors incorporating chamber music into their curricular offerings and programming. Through this festival, we strive to create opportunities for your ensembles to perform and to learn.

With two adjudicators working in tandem with your ensembles, you will receive creative ideas and inspiration to take back to the classroom and rehearsal hall for continued musical study and growth.

Wishing you great success throughout the school year - We look forward to seeing you in April!

Lynn Tucker
UTSC/OBA Chamber Music Festival Coordinator

This event is made possible through the generous support of our sponsors:

NEW! The OBA Chamber Music Festival is a MusicFest Canada affiliate. All ensembles are eligible to receive an invitation to participate in MusicFest Canada, pending the decision of our adjudication panel.
